

## Concluding Activity:

1. Make a shape that satisfies the requirements to the left for #1.
2. Put it on a paper with the order of line symmetry and rotational symmetry written in. "Line: \_\_\_\_  
Rotational: \_\_\_\_"
3. Take a picture.
4. Do all five in the same way.
5. Feel free to create some fancier ones to post as well. :)
6. Post on your blog and tag your post  
"Symmetry2015Della"

Have fun!! :)

## Examples:

See Math 9 Symmetry folder
